

Detailed Anatomy Example Images

Fetal position cephalic, cervix, and placenta

Fetal position breech, cervix

Situs breech

Placental cord insertion

Placental cord insertion: Velamentous example

Right ovary

please note: measurements are not required

Left ovary

please note: measurements are not required

Upper uterus, posterior placenta, Example DVP of amniotic fluid – not required

Lateral ventricles

Lateral ventricles with measurement

Bilateral choroid plexus

Midline falx, Cavum septi pellucidum (CSP)

BPD/HC

AC, Stomach

Bilateral Femur with FL

corpus callosum

Nuchal Fold

Cerebellum measurement

Cerebellum, cisterna magna

Cerebellar vermis

Another example cerebellar vermis

4th ventricle/Cerebellar vermis

Integrity and shape of cranial vault multiple examples

Integrity and shape of cranial vault

continued examples

Profile

3rd ventricle

Upper lip/nose

Lenses

Orbits/Lenses

Profile (w/ NB, CC, CBL, Vermis)

Nasal Bone Measurement

Profile and Mandible

Mandible

Maxilla/palate

Maxilla/palate continued examples

Tongue

Neck

Neck continued examples

Biometry of orbits- outer to outer

Biometry of orbits- inner to inner

Lungs

Diaphragm

Another Diaphragm example

Kidneys

Transverse

Sagittal

Kidneys continued examples

Kidneys- with renal arteries

Adrenals

Adrenal continued example

Spleen

Liver

Liver, Umbilical Vein and Stomach

Bladder, 3VC

Abdominal Cord Insertion

FHR M-mode

4 Chamber heart

4 Chamber heart

Ductal Arch View

RVOT short axis

LVOT

Aortic arch

IVC/SVC

Another example IVC/SVC

3VV

Another example 3VV

3V trachea view

Another example 3V trachea view

Transverse spine

43. SHAPE AND CURVATURE OF SPINE

SAGITTAL

SACRAL

LUMBAR

THORACIC

2+3 Trimester
Har-mid
Gn 0
C6 / M7
FF2 / E2
SRI II 2 / CRI 3

Long Spine

43. SHAPE AND CURVATURE OF SPINE

SAGITTAL

LSP

TSP

CSP

2+3 Trimester
Har-mid
Gn 0
C6 / M7
FF2 / E2
SRI II 2 / CRI 3

Example coronal lower spine

Humerus

Radius/ulna

Hands/digits

numbering is not required

Lower extremity

Example of Architecture - foot to lower leg

Tibia/fibula

Feet/toes

Feet/toes

Gallbladder

Gallbladder

Fetal Sex/Female

Fetal Sex/Male
